POINTS AND AUTHORITIES

The Defendant is charged by way of Indictment with two (2) counts of Felon in Possession of Firearm. Trial is currently set for April 14, 2014. The case is close to being negotiated however because of the Defendant's criminal history, it is difficult to determine exactly under which Criminal History Category his case will fall. As he may very well fall under Category IV, it is important for the Defendant to know what his guideline range may be. The Defendant would like a presentence investigation to determine his criminal history category. Defense counsel spoke with the Government and they do not oppose this motion.

Therefore, it is requested that this Court order a presentence investigation determine the Defendant's Criminal History Category only.

CONCLUSION

The Defendant respectfully requests that her motion be granted based on the above.

DATED this 24th day of February, 2014.

Respectfully submitted
